Shay Popat

Dear Shay

Many apologies for taking so long to write to you but I've been in the process of moving offices. I now work in Development Training at Ecclesfield ext. 4676.

First of all I would like to wish you and your lovely family a Merry Christmas and a Prosperous New Year.

Secondly many heartfelt thanks to you, Chris and the rest of your staff for making this years firework display the '**best in Sheffield**'. (Those words came from our Chief Constable, Mike Hedges.)

To say that out of £6000 worth of fireworks there was not one failure is testament to the quality of goods you supplied and the expertise in your recommendations.

Our Sports Centre manager was so impressed that he has notified all the other 43 police Sports and Social clubs of your existence and I have no doubt that you will be hearing from them in the future.

On behalf of all those who contacted me offering congratulations on such an outstanding event, I wish to pass those sentiments to you.

Take care Shay and I'll see you in the year to come.

John.
