**TO WHOM IT MAY CONCERN**

We have recently had a floodlights and fireworks event at Chatsworth, which ran for sixteen consecutive nights. The Chinese Firework Company provided us with a display of outstanding quality on each of these nights.

I have no reservation in recommending this company as they proved to be conscientious, reliable, professional and offered good value. They worked extremely well with me and my staff and cooperated fully with all our requirements. They left the place looking tidy after each display.

If you would like any further information please do not hesitate to contact me.

Yours faithfully,

J. OLIVER
