**9 REGIMENT ARMY AIR CORPS - BONFIRE NIGHT**

*Dear Shamy,*

1. On behalf on 9 Regiment AAC I would like to thank you for the excellent selection of fireworks you supplied for this years Bonfire Night. Even with the appalling weather and flooding the display was most impressive, lasting for a good 25 minutes with very few 'duds' and was undoubtedly the highlight of the evening.
2. Thank you for all your help and assistance, particularly in providing the safety course, and I would not hesitate in recommending you to any one wishing to organise a fireworks display in the future.
