NEW YEARS EVE FUNCTION - 31 DECEMBER 1998

Dear Shay,

I would like to take this opportunity on behalf of the senior management of the Defence School of Transport, to thank you for a superb selection of fireworks for New Years Eve. The climax of the evening was certainly the fireworks, and there were no mishaps or any failures.

On the strength of the evening I can and have recommended your fireworks company to a number of agencies, including Humberside Police. I am, at the moment, making arrangements for both November and a larger function planned for the Millenium.

Thank you for all your help and assistance during the past year and I look forward to planning further functions in the near future. Once again, thank you.

Yours sincerely

D FOWLER
Warrant Officer Class Two
Regimental Quartermaster Sergeant
