Dear Sirs,

**Rotherham Christmas Lights Switch-on**  
**All Saints Square, Thursday 15.11.01**

May I express our sincere thanks to Chris Spafford and his team for a sensational fireworks display as part of the above event.

It had been a long hard road making sure that everything was safe and sound but it paid off in the end. I have been involved with fireworks now for around 20 years and this rates up there with the best of them, the effects were stunning.

I shall have no hesitation in recommending your company to anyone who is thinking of staging a fireworks display.

Once again thanks to everyone for a brilliant evening.

Yours faithfully,

Ralph Jackson
